- If you have no research achievements and need to register by invitation, please ask your supervisor. If this is too difficult, please contact the OU Fellowship Office.
- Once you have registered, please be sure to contact the OU Fellowship Office to let us know the URL of your researchmap My Portal.

How to sign up, enter and edit My Portal

- The fields to be entered are classified as shown on the right.
- First, please enter and edit your personal information from the home page. Please enter your affiliation, the name of your degree, and other information accurately. Since your profile is free-form, you may enter a personal statement and certifications related to your research activities.
- Any new achievements or activities worth mentioning should be added.
- Once a year (e.g., at the end of the fiscal year), review all the entries and correct them, (if needed).
- After a while, some of your works automatically collected may be suggested to you. Please check these items and decide accordingly to accept or reject them.
